

To Future 7th Grade Honors Reading and Language Students:

Summer reading is part of the Pre-AP program at every grade level. You are expected to have read *Walk Two Moons* by Sharon Creech prior to the opening of school next year. You will be expected to participate in a book club discussion over this book being able to engage in deeper-level conversations about the story, characters, and specifically, the ways in which one or more characters own character and decisions throughout the text impact themselves, others, and the storyline overall.

In addition to the reading, I want you to complete 3 activities off of The Walk Two Moons "Choice Board". Please make sure that when working on your "Choice Board" that you are following all of the instructions in order to get full credit. No matter what choice you choose, all assignments must have textual evidence. Textual evidence is a direct quote from the reading with included page numbers. Please also remember when writing, please make sure that you are using complete sentences. No sentence should begin with a pronoun or the word because. Please make sure you look at the rubric provided.

All work can be completed either on Google Slides, Google Docs, Word, Power Point, or copy paper. The only work that should be done on notebook paper are essays/paragraphs. If you type your work, please make sure you use spell check. No work should be submitted that include misspelled words. I have included a Google Classroom Code for you to join. You will be able to submit your work or ask me questions using this classroom. You may also email me at [angelepowers@hjhawks.net](mailto:angelepowers@hjhawks.net). The Google Classroom Code is i6qvvh0.

Happy reading, and I am looking forward to our year together.

Mrs. Angele Powers
